Day 1

Let the fun begin!

Meet in Toowoomba mid-afternoon and let the fun begin! Hop onboard the private transport, sit back and relax as we head to The Granite Belt.

We'll hit the Granite belt, check-in to our accommodation. Then you have the option of joining us at Balancing Hearts Winery for wine down Friday. Let's sit around the fire and enjoy authentic wood fire pizza and perhaps some local wine (all own expense) while you get to know your fellow travellers.

Day 2

Sights of Stanthorpe and Ballandean

If you like to rise early, head into town for your early morning coffee.

Stanthorpe is where all of Queensland's apple crop is grown and when spring arrives in the orchards, more than one million apple trees put on a brilliant showing that draws visitors down quiet country roads to see the blossoms.

The Poziere family have been growers in the region for over 100 years. They are now inviting us to enjoy a farm visit followed by brunch under the blossom.

From here we'll meet with our friend Jon for a guided bike ride around the district. Do not worry, the trail is mostly flat and even if you are not the most confident cyclist you will be able to keep up as well make our way to the cheese factory, and wineries. This ride is full of delicious discoveries of the region. A support vehicle is always on hand if you need a break or to carry purchases made along the way.

Tonight we'll support one of the local restaurants to sample more of the freshest locally grown produce.

Day 3

Take a Hike!

Our last walk with Bob, our Granite Belt expert, was so great we're going to do it again. We'll go off the beaten track to another hidden location. This will be considered a grade 4 hike, due to the rugged terrain and steep inclines/declines. It is advisable to wear long trousers and long sleeve shirts as well as hat and sunscreen.

The tour ends at 3pm, we'll use the private transport to be back Toowoomba by 6.00pm
