Shute Harbour

## **Day 6 (B)**

### **Shute Harbour - Kayaking (6km)**

Today is designed to be appreciated by both experienced paddlers and beginners alike, with the emphasis on fun and enjoyment - not hard work.

We'll transfer to Shute Harbour to start our kayak over fringing coral reefs and explore nearby tropical islands.

These turquoise waters and islands are home to an amazing diversity of marine and bird life including giant sea turtles and soaring eagles. In October there is a slim chance to encounter the magnificent humpback whales which arrive to give birth to their calves before returning to Antarctic waters.

We stop off at White Rock, where there is time to swim, snorkel (mask, snorkel & stinger suit provided free of charge) or kick back and relax. Cold drinks accompanied by a cheese and a fruit platter, allowing you to refresh before our return to Shute Harbour.

Rest of day at leisure.

## **Day 7 (B)**

### **Rainforest & Waterfall Walks**

Today is about the mainland. After a leisurely breakfast, we'll be collected by our transport and local guide for some hand-picked favourite walks in the rainforests in the region.

The natural beauty of the ancient rainforest with fauna and flora will be quite different to that which was seen on the islands. We'll take a leisurely pace and enjoy the serenity around us.

## **Day 8 (B)**

### **Departure**

The tour ends after breakfast. Please check-out of your room by 10am. If you are departing with the group a transfer to the airport is included.
