## **Day 1**

### **Arrive at Airlie Beach (D)**

On arrival at Proserpine Airport, we'll be transferred to the marina at Airlie Beach. If there is time head along the boardwalk to one of the local cafes, or wander into town.

Be back at the marina as we'll board the tall ship at 4.00 pm.

After settling into your cabin head up on deck for drinks to get to know your fellow adventurers and be introduced to the crew. We'll leave the mainland behind as we head off to our first sheltered cove for the night. Just sit back, relax and watch the sunset as we enjoy our first dinner together.

Fall asleep in your comfortable cabin to the gentle rocking of the boat. Your first night onboard may feel different, but most find they sleep better than they normally do.

## **Day 2 (B, L & D)**

### **South Molle Island, 5km - 7.7km (Moderate)**

The crew will be up early to set sail before breakfast. Breakfast will be served up on deck as we head towards South Molle Island.

On arrival at our first location we'll head off on a walk to Spion Kop Lookout and back. After lunch on board, we'll start cruising again, with a stop for your first snorkel. We'll cruise to our overnight anchorage.

**Whitsunday Islands**

### **Day 3 (B, L & D)**

#### **Whitsunday Peak Hike, 5km (difficult)**

Rise early for breakfast and a transfer to the island for the Whitsunday Peak walk.

After taking in the stunning views and making your way back down, enjoy lunch back on the boat as you cruise to Tongue Bay. Take the short bushwalk up to Hill Inlet 1.3km (easy) lookout and time to explore the north end of Whitehaven Beach.

Cruise to South Whitehaven Beach for overnight anchorage.

### **Day 4 (B, L & D)**

#### **Whitehaven, 3.5km (mod), 3km (mod)**

Today as we enjoy breakfast onboard spend time relaxing with your fellow adventurers or kick back with a book and a morning coffee before being transferred to the beach.

Walk to Chance Bay and take time for beach activities. Cruise to Border Island for a short walk and then the first snorkel opportunity. Cruise to Saba Bay for another snorkel.

Late afternoon we'll travel to our sheltered overnight anchorage.

Whitsunday Islands

## Day 5 (B, L & D)

### Whitsunday Islands Mystery Day

By this stage, you'll be quite adept at sea life and feel like you could live this life forever, but sadly this is your last full day on board. With complete trust in the crew, we will leave the details of our last day up to them. By now they will know what the group enjoys and what we are capable of. It may include more snorkelling, SUP, hiking or beachcombing. Let's wait and see.

We'll finish the day with sunset drinks on the beach of some deserted island.

## Day 6 (B)

### Coral Sea Marina

A leisurely morning today as we set sail one last time for our return to Coral Sea Marina at Airlie Beach. We'll return back to the mainland by 11.00 am

Once back on land we'll head to our accommodation in town and have the rest of the afternoon at leisure. Join the group for sundowners and dinner at one of the many excellent eateries in town.

**INCLUSIONS:** use of tenders, 5 local experienced crew, freshly prepared meals, snacks, chilled tap filtered water, tea & coffee, snorkelling tuition - equipment & stinger suit, stand-up paddleboards, linen including bath towels. **Shute Harbour**

## **Day 7 (B)**

### **Shute Harbour - Kayaking (6km)**

Today is designed to be appreciated by both experienced paddlers and beginners alike, with the emphasis on fun and enjoyment - not hard work.

We'll transfer to Shute Harbour to start our kayak over fringing coral reefs and explore nearby tropical islands.

These turquoise waters and islands are home to an amazing diversity of marine and bird life including giant sea turtles. We stop off at White Rock, where there is time to swim, snorkel (mask, snorkel & stinger suit provided free of charge) or kick back and relax.

Rest of day at leisure.

## **Day 8 (B)**

### **Departure**

The tour ends after breakfast. Please check-out of your room by 10am. If you are departing with the group a transfer to the airport is included.
