Day 1 Meet and Greet - Welcome to Sri Lanka

You've landed in Colombo, the vibrant and eclectic capital of Sri Lanka. We will be met at the airport and transferred to our hotel in the nearby town of Negombo. Flights from Australia usually arrive quite late in the evening so it is all about getting good night's sleep so you are fresh and ready to discover this vibrant country in the morning.

Day 2 Negombo (B, D)

After your travels, today is all about easing in. Sleep in, wake up over lazy breakfast, soak up the sun by the pool, or take a dip in the ocean and a leisurely stroll along the beach. If, and only if, you are feeling a little more energetic, wander through the streets of Negombo or visit the local market. This afternoon we will come together for a fun tuk tuk tour of the local area —perfect for getting your bearings and enjoying a dose of Sri Lankan street life. Today is all about a relaxed start to an unforgettable journey.

Day 3 Dambulla (B,D)

Today we depart from Negombo and journey to Dambulla, to explore the Dambulla Cave Temple—Sri Lanka's largest and best-preserved cave temple complex, nestled in the island's heart. A UNESCO World Heritage Site, it features over 80 Buddha statues and vibrant murals depicting the Buddha's life and ancient Sri Lankan history. Carved into a massive rock, the temple's five caves have been a sacred pilgrimage site for more than 2,000 years. Wander through golden statues, intricate paintings, and peaceful shrines, and take in sweeping views of the countryside from this spiritual and scenic hilltop. Afterwards, we will check in to our hotel and enjoy the rest of the day at leisure.

Day 4 Sigiriya, Matale & Kandy (B,D)

We start the day with a sunrise climb to the awe-inspiring Sigiriya Rock Fortress, an iconic 5th-century citadel built by King Kasyapa. Rising dramatically from the plains, Sigiriya is a masterpiece of ancient engineering and artistry. As we ascend through the colossal 'Lion Paws' gateway, we take in the symmetrical gardens below, the famed frescoes inspired by Gupta art, and the reflective 'mirror wall' etched with ancient graffiti. Then it's back to the hotel for breakfast before continuing to Kandy. We will stop en route at a spice garden in Matale to learn about the therapeutic properties of spices. Nestled in Sri Lanka's Central Province, Matale is known for its tea, rubber, vegetables, and aromatic spices. Enjoy a guided tour of the garden and a cup of herbal tea, or wander the vibrant streets for a taste of local life.

Day 5 Kandy (B,D)

This morning it is into the hustle and bustle of Kandy with a walking tour. Explore the iconic Kandy Temple, a UNESCO World Heritage site in the heart of the city which houses the revered relic of the Buddha's tooth. Admire the intricate architecture, vibrant murals, and golden roof, immersing yourself in its spiritual ambiance. Witness daily rituals offering a glimpse into Buddhism's devout practices. A visit promises a profound journey into Sri Lanka's cultural heritage. Upon completion we return to the hotel for an afternoon of serenity and relaxation.

Day 6 Kandy (B,D) Hike: 13kms

It is time to pull on the hiking boots and get out on the trail...the Pekoe Trail, walking stage 1 from Hanthana to Galaha. Starting at the Ceylon Tea Museum this trek takes us through the picturesque Hanthana Tea Estate, one of Sri Lanka's oldest and largest plantations. Highlights include the rocky ridge of Katusu Konda, offering panoramic views of the Hanthana and Knuckles Mountain ranges, and spotting black eagles. Along the way, we'll see the dramatic mountain facade from 'Indiana Jones and the Temple of Doom' and pass through charming villages like Kithulmulla, known for its delicious avocados. The trek ends near the post office in Galaha, where we'll board the bus back to the hotel.

Day 7 Nuwara Eliya (B,D)

Today we travel on to Nuwara Eliya. Along the way, we stop at a gemstone museum to discover why Sri Lanka is renowned as the "Island of Gems." Next it is into the misty highlands, where rolling green hills herald our arrival in tea country. Visit a working tea plantation and factory to learn how the world-famous Ceylon Tea is plucked, processed, and poured. It's a fragrant dive into one of Sri Lanka's proudest traditions. Our accommodation for the next two nights is a step back in time, with old-world English charm and a fire-lit lounge that might just inspire a G&T or two. Visit the Botanic Gardens, discover the markets, or enjoy pre-dinner drinks in the lounge.

Day 8 Nuwara Eliya (B,D) Hike: 11kms

Today we are back on the trail, lace up your boots and set off on Stage 22 of the Pekoe Trail. This moderately challenging trek takes around 4.5 hours, with gentle ascents and descents through the heart of Sri Lanka's high country. Winding our way through the historic Courtlodge, Park, and Dickwella tea estates, we'll be surrounded by rolling green hills, estate roads, and neatly manicured tea fields. The trail reaches a high point of around 2,108 metres, so expect panoramic views – and keep an eye on the weather, which can shift quickly at this altitude. Much of the path is exposed, so sun protection is essential. After completing the trail, return to the Hill Club for a well-earned rest. The rest of the day is yours.

Day 9 Demodara & Ella (B,D) Hike: 8kms

This morning we embark on the most scenic train ride in Sri Lanka, a captivating train journey from Nanu Oya to Demodara. This popular journey winds through the lush landscapes of Sri Lanka's central highlands offering breathtaking scenery of rolling tea plantations, colourfully clad tea pickers, hazy blue mountains, cascading waterfalls and quaint villages. After we catch our breath it's time to do some exercise. We set out on one of the most popular sections of The Pekoe Trail. Starting at Demodara train station, the trail traverses through tea plantations and local villages, into valleys flanked by chena cultivations, across the Nine Arches Bridge and into the Ella Forest Reserve. The hike ends in Ella where we are transferred to our hotel for a relaxing evening, complete with stunning views!

O/N Ella 2 nights Mountain Heaven (or similar)

Day 10 Ella (B,D) Free Day With Options

Today the choice is yours - relax and enjoy a down day by the resort pool or join one of the optional activities on offer. Option 1 - Participate in a hands-on cooking class where you'll immerse yourself in the rich aromas of a traditional Sri Lankan kitchen (\$45pp). Option 2 - Take a 10km hike to Ella Rock, a dramatic peak with impressive views from the summit. Option 3 - indulge in a little self care with an ayurvedic massage (prices vary). And if you are super keen you might just be able to fit in all three.

Today we farewell the Highlands and journey south to the coast and the wilds of Yala National Park, where a luxurious stay awaits at Jetwing Safari Camp. Blending comfort with nature, this eco-conscious retreat offers an immersive experience in the heart of the jungle.
